Hi Ryan-- Updating you on the latest. Our plans for the Budweiser deck and Suite 302 are as confirmed as planned. One change is: Administrator Pruitt will NOT throw the first pitch. Let's scratch that from the schedule/plan.

Please drop me a simple note to confirm you got this update.

Thanks.

Hi Ryan,

Thanks for calling me back and confirming our current plans for the deck, suite and pitch.

For the pitch: EPA Administrator Scott Pruitt, accompanied by Canada's Minister McKenna (Canada's Ministry for Environment and Climate Change) and Mexico's Secretary Pacchiano (Mexico's Ministry for Environment and Natural Resources).

As you explained, we will get the run of show details a bit later.

Thanks.
